UREDBE

UREDBA KOMISIJE (EU) 2018/669

z dne 16. aprila 2018

o spremembi Uredbe (ES) št. 1272/2008 Evropskega parlamenta in Sveta o razvrščanju, označevanju in pakiranju snovi ter zmesi z namenom njene prilagoditve tehničnemu in znanstvenemu napredku

(Besedilo velja za EGP)

EVROPSKA KOMISIJA JE –

ob upoštevanju Pogodbe o delovanju Evropske unije,

ob upoštevanju Uredbe (ES) št. 1272/2008 Evropskega parlamenta in Sveta z dne 16. decembra 2008 o razvrščanju, označevanju in pakiranju snovi ter zmesi, o spremembi in razveljavitvi direktiv 67/548/EGS in 1999/45/ES ter spremembi Uredbe (ES) št. 1907/2006 ([1]), in zlasti člena 53(1) Uredbe,

ob upoštevanju naslednjega:

(1) Tabeli 3.1 in 3.2 v Prilogi VI k Uredbi (ES) št. 1272/2008 vsebujeta seznam usklajenih razvrstitev in označitev nevarnih snovi, vendar je seznam v vseh jezikovnih različicah Uredbe podan samo v angleščini.

(2) Komisija se je 2. decembra 2008 ([2]) zavezala, da bo zagotovila objavo imen kemikalij v skladu z mednarodnim kemijskim poimenovanjem iz tabel 3.1 in 3.2 v Prilogi VI k Uredbi (ES) št. 1272/2008 v jeziku vseh jezikovnih različic, v katerih je Uredba objavljena.

(3) Tabela 3.1 v Prilogi VI k Uredbi (ES) št. 1272/2008 je bila že večkrat spremenjena z namenom njene prilagoditve znanstvenemu in tehničnemu napredku z dodajanjem, črtanjem ali spreminjanjem snovi ali njihove razvrstitve. Za upoštevanje teh sprememb in za zagotovitev, da so imena kemikalij v tabeli 3.1 v Prilogi VI k Uredbi (ES) št. 1272/2008 v istem jeziku kot vsaka posamezna jezikovna različica, v kateri je bila objavljena Uredba, je treba tabelo 3.1 delno nadomestiti.

(4) Glede na odstopanje ([3]) v zvezi s prevajanjem dokumentov, ki jih ne sprejmeta skupno Evropski parlament in Svet, v irski jezik imen kemikalij iz tabele 3.1 v Prilogi VI v irski jezik ni treba prevesti.

([1]) UL L 353, 31.12.2008, str. 1.

([2]) Popravek stališča Evropskega parlamenta, sprejet 3. septembra 2008 na prvi obravnavi z namenom sprejetja Uredbe (ES) št. 1272/2008 Evropskega parlamenta in Sveta o razvrščanju, označevanju in pakiranju snovi ter zmesi, o spremembi in razveljavitvi direktiv 67/548/EGS in 1999/45/ES ter spremembi Uredbe (ES) št. 1907/2006 – P6_TA(2008)0392 (COM(2007)0355 – C6-0197/2007 – 2007/0121 (COD)).

([3]) Uredba Sveta (EU) št. 1257/2010 z dne 20. decembra 2010 o podaljšanju ukrepov, uvedenih z Uredbo (ES) št. 920/2005, za začasno odstopanje od Uredbe št. 1 z dne 15. aprila 1958 o določitvi jezikov, ki se uporabljajo v Evropski gospodarski skupnosti, in Uredbe št. 1 z dne 15. aprila 1958 o določitvi jezikov, ki se uporabljajo v Evropski skupnosti za atomsko energijo (UL L 343, 29.12.2010, str. 5).

(5) V tabeli 3.2 so navedene usklajene razvrstitve in označitve nevarnih snovi na podlagi meril iz Priloge VI k Direktivi Sveta 67/548/EGS ([1]), ki je bila razveljavljena z učinkom od 1. junija 2015. Tabela 3.2 bo zato v skladu s členom 1(2) Uredbe Komisije (EU) 2016/1179 ([2]) črtana z učinkom od 1. junija 2017. Te tabele zato ni treba spremeniti. Tabela 3.1 se je tako v skladu s členom 2(2) Uredbe Komisije (EU) 2017/776 ([3]) preimenovala v tabelo 3 z učinkom od 1. junija 2017.

(6) Dobaviteljem bi bilo treba dati dovolj časa, da označevanje in pakiranje snovi in zmesi prilagodijo novim določbam glede prevodov ter prodajo obstoječe zaloge.

(7) Dobavitelji bi morali imeti možnost, da začnejo uporabljati to uredbo že pred datumom začetka njene uporabe, da se zagotovi visoka raven varovanja zdravja ljudi in okolja ter dobaviteljem omogoči zadostna prilagodljivost.

(8) Ukrepi iz te uredbe so v skladu z mnenjem odbora, ustanovljenega na podlagi člena 133 Uredbe (ES) št. 1907/2006 Evropskega parlamenta in Sveta ([4]) –

SPREJELA NASLEDNJO UREDBO:

Člen 1

Vnosi iz Priloge VI k Uredbi (ES) št. 1272/2008, ki ustrezajo vnosom iz Priloge k tej uredbi, se nadomestijo z vnosi iz Priloge k tej uredbi.

Člen 2

Ta uredba začne veljati dvajseti dan po objavi v *Uradnem listu Evropske unije*.

Uporablja se od 1. decembra 2019.

Z odstopanjem od drugega pododstavka se lahko snovi in zmesi razvrščajo, označujejo in pakirajo v skladu z Uredbo (ES) št. 1272/2008, kot je spremenjena s to uredbo, že pred 1. decembrom 2019.

Ta uredba je v celoti zavezujoča in se neposredno uporablja v vseh državah članicah.

V Bruslju, 16. aprila 2019

Za Komisijo

Predsednik

Jean-Claude JUNCKER

([1]) Direktiva Sveta 67/548/EGS z dne 27. junija 1967 o približevanju zakonov in drugih predpisov v zvezi z razvrščanjem, pakiranjem in označevanjem nevarnih snovi (UL 196, 16.8.1967, str. 1).
